

Appendix 2A Named Person Profile

Welcare Trustees require senior managers to identify people with the requisite experience to act as the named safeguarding person for each of their services. The named person will be required to offer consultation and advice on safeguarding matters to other staff members and volunteers. The named person will often be the Service or Centre Manager, but where this is not the case, the named person must ensure that the line-manager is fully involved in the consultation.

It is for the line manager together with their staff member to make any decisions in respect of the case and to ensure that both the consultation and any decisions have been properly recorded.

All staff and volunteers within the centres must be formally notified of the name and contact details of the person to contact should they have any safeguarding concerns. Each centre will have the flow chart procedures readily accessible together with names and telephone numbers.

A named person must have:

- A professional qualification in social work or other relevant discipline
- A minimum of five years post qualifying experience of working with child protection issues
- A thorough and current knowledge of safeguarding guidance and legislation
- Undertaken safeguarding training which has been appropriately updated
- A sound understanding of the Local Safeguarding Children Board's Procedures
- A comprehensive knowledge of local networks
- The confidence and ability to use sound professional judgement
