

Your information

Consent form

Your information on the
Star Online

Please turn over

The Outcomes Star helps people support you

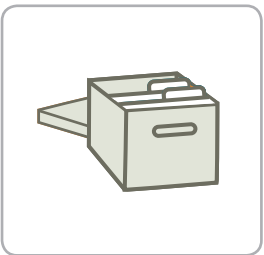

The Star Online system records your Stars and your information

The Star Online system **does not store your name.**

It does store:

- **An ID number**
- **Your date of birth**
- **Your ethnicity and gender**
- **Your support needs**
- **When you joined and left the service**
- **Your Star readings and action plans**

Ask your support worker if you want to see your information

Your information is kept secure and only the organisation supporting you can see it

The information on the system is put together and made anonymous for research and learning

You decide if your information can go on the Star Online or not

Signing this form gives your support worker permission to put your information on the Star Online

You can change your mind at any time – talk to your support worker

You can contact the Star Online system directly if you want them to delete your information (see next page)

I understand all of the above and give my consent

 Yes
 No
